

PTA sponsored

# Picnic

in the

# Park

Thursday September 19<sup>th</sup> after school

Join us in Marldon Village Park – a short walk from the school, just up Ipplepen road.

Say hello, meet parents and see what you can do to enhance your child's experience at school, while the children play in the wonderful park!

We raise funds to pay for extra activities and equipment that the school budget can not cover.

Things like forest school, playtime equipment and extra class resources couldn't happen without all parents joining together and making a difference.

Be part of something amazing, be part of the PTA

Give your time or whatever you can, to make this school amazing for all our kids.
