

Year 1 Home Learning Pack Week Beginning: 20.04.2020

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Google Classroom or Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Diary entries

Alongside all of the ideas that we have set out in these learning packs, we feel that it would be really interesting for children to write their own diary entries over the coming weeks. Imagine looking back on what they wrote in 20 years and being able to share it with others!

English

This week we would like you to have a look at some poems and try writing your own!

Share poems with your child and discuss them. You can find poems online from the following websites;
[https://www.poetryfoundation.org/poems/browse#page=1&sort by=recently added&filter poetry children=1](https://www.poetryfoundation.org/poems/browse#page=1&sort%20by=recently%20added&filter%20poetry%20children=1)

<https://www.pinterest.co.uk/sdusbiber/great-poems-for-kids-to-memorize/>

<https://www.familyfriendpoems.com/poems/children/>

This website will help your child learn about poetry <https://www.bbc.co.uk/bitesize/topics/zihhvcw>

Which poems do you like and why? Learn some poems off by heart. You could film them and send them to family members. This is a great poem to share for fun as it is one that will make the children laugh <https://www.dailymotion.com/video/x6heoor>

Share the poem 10 things found in a Wizard's pocket - https://performapoem.lgfl.org.uk/public/poems/mcmillan_poem.pdf Have a go at writing your own version for example 10 things found in a.... Witch's, explorers or astronaut's pocket.

This is a great book to share <https://www.youtube.com/watch?v=2e96jj0NqVY> You could go out in the garden to see what bugs you can find and have a go at describing

them in the style of the book.

Now write your own descriptive poem. Follow the pattern of the book, the describing words come first and then the object that you are describing. It could be a poem about superheroes, Disney characters, jungle animals, pets or even your toys!

Don't forget to use capital letters and full stops. Can you use adjectives, (describing words), in your poem? Can you challenge yourself and use some alliteration, (eg a wriggly worm), in your poem?

Maths

This week we would like you to visit the link: <https://whiterosemaths.com/homelearning/>
 These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but it would be useful for children to show their workings and then check their answers.

Alongside these White Rose Hub activities, don't forget to use the following websites (using your individual logins) to practice other basic skills: Times Tables Rock Stars, Numbots and Education City

Spellings

There are two main ways in which you can practice your spellings:

- Spelling Frame: <https://spellingframe.co.uk/>
- Learn the words on your spelling list (see information below) in fun ways, including: Look, cover, say, write, check, Rainbow writing, Bubble writing, Backwards writing, Pyramid writing, Silly sentences or Mnemonics

To find your year group's statutory spellings, Google: Year 1 Common Exception Word List

Below is an example of ways in which you could learn your spellings each day:

Ask an adult to help you. You may write your answers or talk about the story with a grown up.</p> <p>Watch the opening of the film and pause after 52 seconds.</p> <ol style="list-style-type: none"> 1. Why does the caterpillar want to give away his shoes? 2. Who do you think he will meet in the woods? <p>Continue watching. Pause after the caterpillar leaves the woodlouse.</p> <ol style="list-style-type: none"> 3. What does the woodlouse think about his new shoes? 4. What does the word jig mean? Can you think of any other action words that would describe what the woodlouse did? <p>Continue watching the film until the end.</p> <ol style="list-style-type: none"> 5. Can you make a list of all the creatures that the caterpillar saw on his journey through the woods? 6. Why do you think the caterpillar liked being a butterfly more than a caterpillar? <p>Remember to explain your answers as fully as you can.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; text-align: center; vertical-align: top;"> <p><u>YEAR 1 CHALLENGE</u> Design a pair of shoes for caterpillar Draw a pair of shoes that you think caterpillar or one of the other creatures would like to wear. Lifecycles

Find out some information about the lifecycle of a butterfly, from caterpillar to butterfly, or about another creature, like a frog. Can you draw a diagram or make a zigzag book to show the different stages?
See the additional resources that have been uploaded onto your Google Classroom.

Learning Challenge Curriculum/Topic Work

Your key learning question is:

What birds and plants would Little Red Riding Hood find in the park?

This key learning question will last for 6 weeks. We would like you to create a project based on this key question to show what you have learnt and found out about this topic. Read below for different ways in which you could carry out your project, based on your interests:

If you like art:

- Do an observational drawing of a 'living thing'- this could be a plant, tree, flower (that you can see from a window in your house), a family member or pet.
- Collect some leaves and plants (ask parents first !) from your garden to make into a collage picture. You could use flour and water mixed together to make glue if you do not have any at home.

If you like writing:

- Plant seeds for plants or vegetables and write about the process.
- Keep a diary and watch the seeds grow
- Look for a mini beast in your garden – (a small creature like a snail) and write a story about it.
