Nursery/Reception Home Learning Pack **Week Beginning: 13.04.2020**

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home linked to their 7 areas of learning. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Maths

Every week you can visit the link: <https://whiterosemaths.com/homelearning/>

These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but just work through the activities with your children.

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy development (Phonics)	Go on a listening wak- Talk about how to be a good listener (being quiet and not talking) What sounds did they hear?	Drumming outdoors- using a beater (wooden spoon, stick, etc. whatever you can find) Children explore making sounds by hitting different materials e.g wooden door, wire fence, plastic toy- Do they sound different- can they describe the sound?	Have a listening moment inside or outside- What can you hear? Talk about the sounds and then try and make them using our voices.	Play hide and seek with a teddy- guide the finder to the teddy by clapping/ singing louder as they get closer or quieter if they are further away.	Sound lotto games https://www.youtube.com/watch?v=h0Kp_J9kvNM What can you hear? There are lots of these videos available on youtube.
Personal, Social, Emotional Development	This week we would like you to focus on taking turns. You could: Play a board game- whose turn is next? Can you wait and not have to be told? Share a bike or scooter- use a timer to take turns Do some cooking- is it your turn to stir the mixture? Running relay races- waiting until you are tagged to go.				
Mathematics	Children find 3 identical objects- line them up to count them- touching each one while saying the number. Can you find as many lots of 3 as you can?	From a large group of objects can you count out 3 e.g. 3 pieces of pasta, 3 pencils from a pot, 3 leaves from the tree.	Watch video- What is a 5 frame- Adult to draw a 5 frame- Can you find 3 things to put in the frame- can you show it in a different way? How many more do you need to make 5?	Read/ sing stories with 3 characters e.g. 3 blind mice, 3 billy goats gruff, 3 little pigs, 3 bears.	https://www.youtube.com/watch?v=KkUWDvRS9gM Watch the number of the day video- 3! Can you do 3 jumps, claps, jiggles, wiggles etc. Go on a number 3 hunt- where can you find the numeral 3 around the house and on during your daily exercise outside?
Physical Development	This week we would like you to focus on getting yourself dressed. You could: Try putting your shoes on yourself to go for your listening walk- which feet do they go on? How do you know? Can you put your coat on yourself? The zip is really tricky but keep practising! Socks and tights are not easy but give it a go- Can you practice rolling them up to make it easier to put them on?				
Communication and	This week we would like you to focus on Traditional tales.				

Language	<p>You could:</p> <ul style="list-style-type: none"> -Read the stories you have at home with your grown ups e.g. little red riding hood, the gingerbread man, 3 billy goats gruff, the 3 little pigs etc. -Talk about the characters in the story- What do they look like? Where are they? What do they do in the story? - Stop in the middle of the story- What might happen next? - Join in with the parts of the story that repeat e.g. run run as fast as you can- you cant catch me I'm the gingerbrad man. - Retell the story to your family yourself from the pictures. <p>If you don't have any traditional tales, don't worry. The teachers will be reading some aloud on google classroom throughout the week. You can also find lots of traditional tales on Youtube.</p>
Understanding the world	<p>Tbis week we would like to focus on Easter.</p> <p>You could:</p> <ul style="list-style-type: none"> -Talk about how you celebrated Easter and why - Talk about Spring - Go on a walk to look for signs of spring
Expressive Arts and Design	<p>This week we would like you to focus on Traditional tales.</p> <p>You could:</p> <ul style="list-style-type: none"> -Act out your favourite story or traditional tale with your family -Make a puppet of characters from the stoy using an old sock, lollipop sticks or cardboard. - Draw/Paint a picture of your favourite story character- thinking carefully about how they look
