

Dear Parents/Carers of Year Six,
Spring Term First Half 2021

Here is our topic for this half-term. Please use it to support your children's learning.

As Citizens we will:

Develop our understanding of finance and budgeting through our creation of a product for Dragon's Den.

As Linguists we will:

Learn to translate words and simple phrases in the context of stories.

As Readers we will:

Read 'The Graveyard Book' by Neil Gaiman.
Participate in whole class reading lessons.

As Designers we will:

Design a product for Dragon's Den.
Combine different materials in creative ways.
Explore how to refine our products, for example by hiding joins.

The Big Question:

What would a journey through the body look like?

As Musicians we will:

Learn about 3 and 4 Time, Compound Time and Irregular Metre.

As Computer technicians we will:

Learn how to block-code simple games.
'Debug' our coding.
Explore the use of coding in real life situations.

As Scientists we will:

Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood
Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
Describe the ways in which nutrients and water are transported within animals, including humans.

As Mathematicians we will:

Understand decimal place value.
Calculate percentages of amounts.
Convert between Fractions, Decimals and Percentages
Solve problems using our knowledge of Fractions, Decimals and Percentages.

As Athletes we will:

Take part in weekly indoor and outdoor P.E lessons.
