

Year Three Autumn Term 1 2020

Here is our topic for this half term. Please use it to support your children's learning. They are welcome to bring things into class that are related to our topic and if any adults would like to come in and share some stories, please see your child's class teacher.

As Citizens we will:

- Understand what climate change is and its impact on the environment.
- Understand how democracy works to vote for countries to host the Olympic Games.

As Linguists we will:

- Have daily No-Nonsense spelling lessons, learning spelling rules and patterns.

As Scientists we will:

- Learn the importance of nutrition and a balanced diet.
- Describe the skeletal and muscular system of a human and its purpose.

As Artists we will:

- Design eye-catching sportswear in the style of a European country's flag.
- sketch from first-hand observations.

**The Big Question:
How can Usain Bolt move so quickly?**

As Historians we will:

- Research the lives of significant sportspersons and present our findings in a biography.
- Learn about the origins of the Olympic Games.

As Athletes we will:

- Take part in outdoor P.E sessions every week.
- Measure and record our times and distances in a range of athletic activities.
- Understand the importance of warming up and cooling down.
- Improvise freely a 'celebration dance' inspired by the Olympic Games.
