

Dear Parents/Carers of Year Six,
Spring 2 2022

Here is our topic for this half term. Please use it to support your children's learning.

As Citizens we will:

Learn what it means to be physically and emotionally healthy; including learning about harmful substances.

As Designers we will:

Design and Make moving toys which are powered by water.

As Artists we will:

Develop our Painting skills.

As Readers we will:

Read Holes by Louis Sachar.
Participate in Whole Class Reading lessons.

As Athletes we will:

Take part in weekly indoor and outdoor P.E lessons.

As Authors we will:

Write an extended story.
Develop our ability to edit and improve our writing through using higher level vocabulary and punctuation.

As Linguists we will:

Speak in sentences, using familiar vocabulary, phrases and basic language structures.
Develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases.
Present ideas and information orally to a range of audiences.

The Big Question:

Will you ever see the water you drink again?

As Geographers we will:

Develop our map skills; revise the steps of the water cycle; name features of rivers and use maps, aerial photos, plans and web resources to describe what a locality might be like.

As Mathematicians we will:

Consolidate our understanding of metric and imperial measure, and learn to solve problems involving measure.
Develop our knowledge of ratio, including using ratio language and symbols appropriately; calculating ratio and scale factors.
Develop our knowledge of statistics, including retrieving information from line graphs and pie charts; constructing graphs and selecting the most appropriate graph or chart to convey information.

As Historians we will:

Describe how some places are similar and others are different in relation to their human and physical features and discuss how they have changed over time.

As Musicians we will:

Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
Improvise and compose music for a range of purposes using the inter-related dimensions of music & listen with attention to detail and recall sounds with increasing aural memory.

As Computer technicians we will:

Understand how a blog can be used as an informative text; understand the key features of a blog and work collaboratively to plan and write a blog.
