

Dear Parents/Carers of Year Four,
Summer Term First Half 2023 Here is our topic for this half-term. Please use it to support your children's learning.

As Citizens we will:

RE

Learn why Christians call the day Jesus died, Good Friday and about the impact of Pentecost on Christians.

PSHE

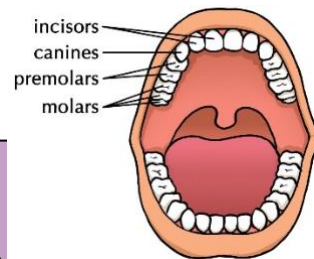

Learn about relationships exploring jealousy, love and loss, showing appreciation to people and animals.

As Athletes we will:

Take part in weekly indoor and outdoor P.E lessons.

As Computer Technicians we will:

Learn how to make Logos and animation using programs on Purple Mash.

As Artists we will:

Create images and pieces of art inspired by famous artists.

As Readers we will:

Participate in whole class reading, using our class novels.

As Authors we will:

Learn to write a letter from the perspective of a bug inspired by Dr Fisher.

Learn to write a narrative poem inspired by The Beachcomber.

As Musicians we will:

Develop our listening, composing, playing and performing skills through Blackbird by the Beatles.

The Big Question

**Which wild animals and plants thrive in your locality?
What happens to the food we eat?**

As Scientists we will:

1. Learn about living things and their habitats

- recognise that living things can be grouped in a variety of ways
- explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment
- recognise that environments can change and that this can sometimes pose dangers to living things.

2. Learn about animals including humans

- Identify and name parts of the human digestive system
- Know the functions of the organs in the human digestive system
- Identify and know the different types of teeth in humans
- Know the functions of different human teeth
- Use food chains to identify producers, predators and prey
- Construct food chains to identify producers, predators, and prey.

As Mathematicians we will:

Learn about all things decimals, representing and writing decimals, ordering, comparing and rounding decimals.

Money- pounds and pence, ordering, converting and calculating with money.

Time-units of measure and converting between units of time.

As Multi-linguists we will:

In French we will learn all about the classroom.
