Year 5 Autumn Term First Half 2025
Here is our topic for this half-term. Please use it to support your children's learning.

As Citizens we will:

RE: Understand what it means if Christians believe God is holy and loving.
PSHE: Be able to describe our strengths and goals and know how we can help others to make the world a better place.

As Artists we will:

Learn different drawing techniques focusing on Cezanne.

As Readers we will:

Participate in whole class reading lessons using 'Wonder' by R J Palacio

As Athletes we will:

Take part in weekly indoor and outdoor P.E lessons.

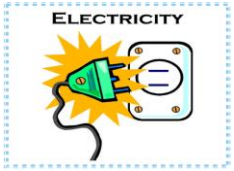
Science Key Question:

What materials can or cannot change back to their original form?

As Authors we will:
Learn to write a non chronological report focusing on "Ripley's Mighty Machines".

As Computer Technicians we will:

Create and complete quizzes using Purple Mash



As Musicians we will:

Develop our listening, appraising and performing skills through Samba lessons.

As Scientists we will:

Know about materials that can or cannot be changed back to their original form once an action has been taken
Know what a reversible change means
Know what an irreversible change means
Give examples of reversible and irreversible changes
Know that some materials will dissolve in liquid to form a solution and describe how to recover a substance from a solution
Use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating

History Key Question:
Who were the anglo-saxons and what influence do they have on our lives today?

As Historians we will:

Know who the Anglo-Saxons were and what their influence is on our lives today
Know where the Anglo-Saxons originate from and when they invaded Britain
Know how the Anglo-Saxons brought law and order to Britain
Know how the Anglo-Saxons created different settlements to the ones the Romans had built
Know how the Anglo-Saxons divided Britain into different kingdoms
Know many of the Anglo-Saxon kings

As Mathematicians we will:

Develop our understanding of Place Value. We will then apply this to the four operations- addition, subtraction, multiplication and division and begin to look at Fractions.

Partake is daily Mastering Number sessions and practice our mental arithmetic skills.
